Why sell Online

bidnow.ie
The professional property platform.
REA is Ireland’s leading property group of Chartered Surveyors with 55 branches throughout the country, comprising over 250 staff working on behalf of clients.

All of our principals and agents are members of The Society of Chartered Surveyors Ireland (SCSI), The Royal Institute of Chartered Surveyors (RICS) or The Institute of Professional Auctioneers and Valuers (IPAV).

REA offers a wide range of professional services to include residential and commercial property sales, valuations and asset management services. This wide range of professional services now also includes the BidNow Online Sales Platform.

Why sell online?

We are changing the way property is sold in order to improve the efficiency and provide transparency and complete confidence in the bidding process and more importantly assisting in bringing the property sale to a successful conclusion.

The entire bidding process is conducted online with the Sales Contract together with other Legal Documents made available on the BidNow Online Sales Platform in order that interested parties solicitors can review same and advise their client accordingly and any prior legal queries can be raised with the vendor’s solicitor.

We can now therefore provide our clients with both a fast and efficient and complete online sales solution to include Online Auctions, In Room Auctions and Private Treaty Sales or an amalgamation of same.
